

The Green One

Console

Custom-built case with stained oak trim and heritage matt finish.

Modular build for easier transport.

Full size oak bench with storage shelf.

Conforms to AGO specifications.

Midi Hardware

Two 61-note Fatar keyboards with simulated tracker touch.

Detachable Oak pedal board with steel supports.

Two oak swell pedals with custom aluminium mechanism.

34 programmable thumb pistons.

Three solid brass foot pistons (two configured for midi, one to trigger page turns).

40 reconditioned Kimber Allen stop solenoids with Midi Gadgets Boutique stop control.

150 magnetic stop label holders with the most common stop names pre-printed. Template included for additional labels in Word format.

Audio Hardware

RME Babyface Interface for low latency processing.

Two M-Audio BX8 D3 powered speakers with additional internal shielding to remove mains hum.

Headphone out socket located underneath keyboard shelf.

Computer

Custom PC built into the casework, optimised for real time audio and fast sample-set loading.

ASUS motherboard, 5700G processor, silent Noctua cooling.

64GB RAM (upgradable to 128GB) and 2TB SATA drive. Built in Wi-Fi & Bluetooth.

24-inch HD touchscreen Iiyama monitor. Console can operate happily with monitor switched off.

External USB socket and reset button located underneath the keyboard shelf.

Pre-installed Software

Windows 11 Pro optimised for real-time audio.

Demo version of Hauptwerk Virtual Pipe Organ software. The user is expected to supply their own licence for ongoing use. A collection of demo versions of popular organ sample sets is also included, configured for use with the console.

EnScore music viewer for convenient paper free sheet music.

Power

Built-in 5-gang remote-controlled power distribution. Allows for more flexible switching than single button power sequencer. The remote acts as a key for use in public spaces. A spare battery is included for the remote.

Lighting

Independently switched recessed LED light strips for pedal board and music desk (warm tone). Desk lighting does not reflect in the computer screen at normal viewing angles.

Delivery & Installation

Free within 150 miles of Gloucester, UK. Beyond this, mileage will be charged by agreement.

Documentation

Comprehensive user manual and schematics, though most is covered by the Hauptwerk User Guide. Ongoing customer support.

Warranty

If problems cannot be solved remotely, the seller will provide 12 months on-site servicing. Travel expenses may apply.

Payment

£6000 payable in advance by card or bank transfer.
Delivery will be arranged on confirmation of cleared funds.

Dimensions

Height 180cm.
Width 142cm (at table height) or 150.5cm (at the widest part of the cornice).
Depth 64cm (table) or 113cm (including pedalboard).

About

Forest Organs is based in the Forest of Dean near Gloucester.
The aim is to provide high quality instruments that also look fabulous as furniture.
Consoles are typically manufactured using a mix of new and meticulously reconditioned parts.
In this way best value can be achieved without compromising reliability, playability or finish.
Commissions are welcome. Please email for further information.
